

This season, Timber Ridge is again hosting Wednesday Women's Nights. The remaining events are scheduled every other Wednesday beginning at 6:00 PM on February 7 and 21, and March 7. These evenings will continue in the tradition of bringing together fun, adventurous, and like-minded women. On January 24, participants of all ski skill levels dined on a delectable meal provided by Poppycock's, took on the lit trails, gleaned some tips from a knowledgeable instructor, and socialized with their "sisters" in the intimate, cozy lodge.

Any women interested in joining the revelry can expect more of the same, including additional activities that are being planned for the season. Call (231) 947-2770 for more details and to RSVP (a *must!*), as space is limited. Entry for each night is just \$10.

Timber Ridge RV & Recreation Resort is an all-season recreation resort featuring RV and tent camping; overnight cabin rentals; family oriented activities; a banquet facility and elegant tents for weddings, events, reunions, family gatherings, and meetings; access to the popular VASA trail system; and nationally renowned events like the North American VASA and Iceman Cometh Challenge mountain bike race.

## FASTEN YOUR SKI BOOTS, IT'S LADIES NIGHT!

### Timber Ridge Resort Hosts Second Year of Wednesday Women's Nights

TRAVERSE CITY, MI – When women gather together, it seems that they are an unstoppable force. But more than that, women are a supportive bunch. Ask any woman who participated in the Wednesday Women's Night on January 24 at Timber Ridge RV & Recreation Resort in Traverse City. The group events, which began last winter season, feature lit trails for Nordic skiing and snowshoeing, ski tips from an instructor, delicious food and treats, and gabbing around the fire. Many participants at the celebration on the 24<sup>th</sup> were new to winter outdoor sports, but being able to test their prowess among friends and other supportive women made the effort much easier and more enjoyable. And with flat Timber Ridge-groomed trails that link right up to the VASA, Timber Ridge offers a memorable ski adventure for beginners *and* experts.

"I'd always wanted to try cross-country skiing, especially at night," says Traverse City resident Laura Krouper. "The encouragement I got at Wednesday Women's Night helped me to take a shot at it. Plus, I was able to meet some amazing women!"
